The Ohio School Counselor Evaluation System (OSCES) Evaluator Training will prepare you as an evaluator of school counselors.

The presenter will use the Evaluation Framework for School Counselors as adopted by the State Board of Education in April 2016. The training will provide an understanding of the OSCES Framework and Model and allow practice of skills and sharing of resources and best practices in educator evaluation.

This training is required for the credentialing of school counselor evaluators.

This one-day session is required for all evaluators of school counselors. **It is highly recommended that the evaluator and school counselor attend this session together.**

**OSCES Trainer: Cathy Morgan**
